

Department Chair Announcement

Dear Physiotherapy and Rehabilitation Department Students,

As March of 23rd, 2020 (today), The Department of Physiotherapy and Rehabilitation started remote education system which was suspended by the Higher Education Council (Yüksek Öğretim Kurumu-YÖK) on March 16th, 2020 due to the COVID-19 outbreak. Remote education system's weekly schedule is determined as department's regular weekly academic program in order to come through possible timing issues. The operation of all our courses in our program has been implemented in an uninterrupted, effective and a reliable way. We would like to thank all our lecturers, assistants and students for their patience and support who have started to work with hale motivation and cooperation in this transition process.

Education process of The Department of Physiotherapy and Rehabilitation continues according to the department's academic program. It is important for all our students to follow their course programs with precision.
